THE AUTHENTIC COLLECTION

Collection running from 2024-2027

The AUTHENTIC collection is our multifunctional Teamsport collection. The styles are crafted for everyone in any training and for all purposes. The collection is defined by the heritage authentic tape on each style, with several clean and sporty details and great inspiration from the 92-jersey. The collection focuses on high-performance fabrics ensuring breathability, flexibility, and of course ensuring your comfort while doing all team sport exercises.

THE TRAVEL COLLECTION

In the TRAVEL collection, we combine versatile sportswear and athleisure for the everyday wardrobe. This collection focuses on combining sporty apparel in comfy silhouettes making travel situations and plays both on and off the field central. With a mix of soft cotton and polyester fabrics, the feeling of comfort is definitely secured. We're using a more tonal colour palette making the look cool and casual and with a clear vibe and thought to the 92-jerseys.

THE BAGS COLLECTION

We know how important the right gear can be for the training days. That's why, we revisited our ball accessories and can now introduce updated accessories for our new ball range. With helpful supporters like the ball net and bag, we ensure professional handling of our new ball ranges. The bags are made of recycled polyester and with different quality stages to ensure a good selection of styles even in the small accessories.
